7. AUTHORITY FOR THE BUY BACK

Pursuant to the provisions of Section 68, 69, 70 and all other applicable provisions, if any, of the Companies Act, and in accordance with Article 8.2 of the Articles of Association of the Company and subject to the provisions of the Buyback Regulations, and from any other statutory and/ or regulatory authority, as may be required and which may be agreed to by the Board and/ or any committee thereof, the Board of Directors at their meeting on April 20, 2016 passed resolutions approving the Buyback.

8. NECESSITY OF THE BUY BACK

The Buyback is being undertaken by the Company to return surplus funds to the equity shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost efficient manner. The Buyback is being undertaken for the following reasons:

- I. The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- II. The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of upto 15% of the Buyback Size for small shareholders. The Company believes that this reservation of upto 15% for small shareholders would benefit a large number of public shareholders, who would get classified as “Small Shareholders”;
- III. The Buyback would help in improving financial ratios like earnings per share and return on equity, by reducing the equity base of the Company; and
- IV. The Buyback gives an option to the Eligible Sellers to either choose to participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback or choose not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

9. MANAGEMENT DISCUSSION AND ANALYSIS AND THE LIKELY IMPACT OF BUY BACK ON THE COMPANY

- I. The Buyback is not likely to cause any material impact on the profitability/ earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming that the response to the Buyback is to the extent of 100% (full acceptance) from all the Equity Shareholders up to their Buyback Entitlement, the funds deployed by the Company towards the Buyback would be Rs. 25,00,00,00,000/- (Rupees Two Thousand and Five Hundred Crores only).
- II. In terms of the Buyback Regulations, under the tender offer route, the Promoters and Promoter Group of the Company have the option to participate in the Buyback. In this regard, the Promoter and Promoter Group have expressed their intention vide their letters dated April 20, 2016, to participate in the Buyback and offer up to an aggregate maximum number of 1,78,03,22,764 Equity Shares or such lower number of shares as required in compliance with the Buyback Regulations/terms of the Buyback.

In order to augment more funds for advancing their philanthropic objectives, APPI and APT wish to maximize the acceptance of the Equity Shares held by them in the Buyback against the entitlement available to the Promoter and Promoter Group. In this regard, it is proposed that in addition to the Equity Shares tendered by APPI and APT in the Buyback as part of their entitlement, APPI and APT will also tender additional Equity Shares beyond their entitlement. Such additional Equity Shares tendered by APPI and APT will first be accepted against the entitlements of the other Promoter and Promoter Group entities of the Company, to the extent that these other Promoter and Promoter Group entities do not tender Equity Shares as part of their entitlement in the Buyback, and then, if any Equity Shares tendered by APPI and APT are left to be bought back, the same shall be accepted in the manner specified in Regulation 9(7) of the Buyback Regulations.

19. PROCESS AND METHODOLOGY FOR THE BUYBACK

- I. The Company proposes to Buyback not exceeding 4,00,00,000 fully paid-up Equity Shares from the Equity Shareholders as on the Record Date, on a proportionate basis, through the tender offer route at a price of Rs. 625/- (Rupees Six Hundred and Twenty Five only) per Equity Share, payable in cash for an aggregate amount of Rs. 25,00,00,00,000 (Rupees Two Thousand Five Hundred Crores only). The maximum number of Equity Shares proposed to be bought back represents 1.62% of the total paid-up equity share capital of the Company as at March 31, 2016. The Buyback is in accordance with the provisions of Section 68, 69, 70 and other applicable provisions, if any, of the Companies Act and in accordance with Article 8.2 of the Articles of Association of the Company and subject to Regulation 4(1)(a) and other applicable provisions contained in the Buyback Regulations and such other approvals, permissions and exemptions as may be required, from time to time from statutory authorities and/ or regulatory authorities, including but not limited to SEBI, and the RBI. The Buyback Size is 6.2% of the fully paid-up equity share capital and free reserves as per the latest audited standalone balance sheet of the Company for the financial year ended March 31, 2016 (the last standalone audited balance sheet available as on the date of the Board meeting approving the Buyback).
- II. The aggregate shareholding of the Promoter and Promoter Group as at the date of the Public Announcement is 1,81,20,22,464 Equity Shares which represents 73.34% of the existing equity share capital of the Company. In terms of the Buyback Regulations, under the tender offer route, the Promoters and Promoter Group of the Company have the option to participate in the Buyback. In this regard, the Promoter and Promoter group have expressed their intention vide their letters dated April 20, 2016 to participate in the Buyback and offer up to an aggregate maximum number of 1,78,03,22,764 Equity Shares or such lower number of shares as required in compliance with the Buyback Regulations/ terms of the Buyback
- III. In order to augment more funds for advancing their philanthropic objectives, APPI and APT wish to maximize the acceptance of the Equity Shares held by them in the Buyback against the entitlement available to the Promoter and Promoter Group. In this regard, it is proposed that in addition to the Equity Shares tendered by APPI and APT in the Buyback as part of their entitlement, APPI and APT will also tender additional Equity Shares beyond their entitlement. Such additional Equity Shares tendered by APPI and APT will first be accepted against the entitlements of the other Promoter and Promoter Group entities of the Company, to the extent that these other Promoter and Promoter Group entities do not tender Equity Shares as part of their entitlement in the Buyback, and then, if any Equity Shares tendered by APPI and APT are left to be bought back, the same shall be accepted in the manner specified in Regulation 9(7) of the Buyback Regulations. For further details in this regard, please refer to section titled “Management Discussion And Analysis And The Likely Impact Of Buy Back On The Company” clause 9 (II) on page 12 of Letter of Offer.
- IV. Assuming response to the Buyback is to the extent of 100% (full acceptance) from all the Equity Shareholders upto their Buyback Entitlement, the aggregate shareholding of the Promoter and Promoter Group post the Buyback may increase to 73.52% from 73.34% prior to the Buyback.
- V. Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:**
 - (a) The Board in its meeting held on April 20, 2016 announced May 6, 2016 as Record Date for the purpose of determining the Buyback Entitlement and the names of the Equity Shareholders who are eligible to participate in the Buyback.
 - (b) Holders of ADSs will be eligible to participate in the Buyback by submitting their ADSs to JP Morgan Chase Bank NA., as ADS Depository (the “Depository”) for cancellation and withdrawing the underlying Equity Shares no later than 12:00 p.m New York City time on May 4, 2016 so that they are holders of Equity Shares as of the Record Date (as defined below). Holders of ADSs will also need to establish a brokerage account in India prior to the Record Date to receive the withdrawn Equity Shares. Such holders will then be able to tender the Equity Shares, in the

Buyback in accordance with the terms of the Buyback. Prior to the Record Date, holders of ADSs will receive notice of the Buyback and information regarding surrendering the ADSs to the Depository for cancellation and withdrawing the underlying Equity Shares so they can be eligible to participate in the Buyback. If an ADS holder withdraws the underlying Equity Shares, such holder will not be able to re-deposit the Equity Shares into the ADR program and receive ADSs in return, regardless of whether such holder participates in the Buyback. Equity Shares are not listed on, and cannot be sold on, a U.S. exchange. Furthermore, holders of ADSs may be subject to taxation in India upon submitting their ADSs for cancellation and also to the extent that the underlying Equity Shares are accepted in the Buyback. Holders of ADSs who decide to withdraw the underlying Equity Shares will be responsible for all related taxes, duties and fees, including fees payable to the Depository to cancel the ADSs.

- (c) The Equity Shares to be bought back as a part of this Buyback are divided into two categories:
- Reserved category for Small Shareholders (“**Reserved Category**”); and
 - General Category for other Eligible Sellers (“**General Category**”).
- (d) As defined in the Buyback Regulations, Small Shareholder includes a shareholder, who holds shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than Two Lakh Rupees. As on Record Date, the closing price on NSE was Rs. 533.10/-; Accordingly all Shareholders holding not more than 375 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
- (e) Based on the above definition, there are 2,19,469 Small Shareholders in the Company with aggregate shareholding of 1,37,00,396 Equity Shares as on the Record Date, which constitutes 0.55% of the outstanding number of Equity Shares of the Company and 34.25% of the maximum number of Equity Shares which the Company proposes to buy back as a part of this Buyback.
- (f) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be higher of:
- Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of 4,00,00,000 Equity Shares which works out to 60,00,000 Equity Shares; or
 - The number of Equity Shares entitled as per their shareholding as on Record Date i.e. $(4,00,00,000 / 2,47,07,13,290) \times 1,37,00,396$ which works out to be 2,21,805 Equity Shares.
- All the outstanding fully paid-up Equity Shares have been used for computing the Buyback Entitlement of Small Shareholders since the Promoter and Promoter Group also intend to offer Equity Shares held by them in the Buyback.
 - Based on the above and in accordance with Regulation 6 of the Buyback Regulations, 60,00,000 (Rounded off) fully paid-up Equity Shares have been reserved for Small Shareholders. Accordingly, General Category for all other Equity Shareholders shall consist of 3,40,00,000 Equity Shares.
- (g) Based on the above Buyback Entitlements, the ratio of Buyback for both categories is decided as below:

Category of Shareholders	Ratio of Buyback
Reserved category for Small Shareholders	60 Equity Shares out of every 137 fully paid-up Equity Shares held on the Record Date.
General category for all other Equity Shareholders	11 Equity Shares out of every 795 fully paid-up Equity Shares held on the Record Date.

VI. Fractional Entitlements:

If the Buyback Entitlement under Buyback, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Sellers.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 2 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

VII. Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders:

Subject to the provisions contained in the LoF, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

- (a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.
- (b) Post the acceptance as described in Clause 19. (VII) (a) above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buyback, shall be given preference and one share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- (c) Post the acceptance as described in Clause 19. (VII) (a) and 19. (VII) (b) above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buyback Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptances per Small Shareholders shall be made in accordance with the Buyback Regulations, i.e. valid Acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with clause 19. (VII) (b) above, shall be reduced by one.
- (d) Adjustment for fractional results in case of proportionate Acceptance, as described in Clause 19. (VII) (c) above:
 - (i) For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - (ii) For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

VIII. Basis of Acceptance of Shares validly tendered in the General Category:

Subject to the provisions contained in the LoF, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Sellers in the General Category in the following order of priority:

- (a) Acceptance of 100% Equity Shares from other Eligible Sellers in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (b) Post the Acceptance as described in Clause 19 (VIII) (a) above, in case there are any Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Sellers over and above their Buyback Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Sellers divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.
- (c) Adjustment for fractional results in case of proportionate acceptance as described in Clause 19. (VIII) (a) and (b) above:
 - (i) For any Eligible Seller, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - (ii) For any Eligible Seller if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

IX. Basis of Acceptance of Equity Shares between Categories

- (a) In case there are any Equity Shares left to be bought back in one category (“**Partially filled Category**”) after Acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be accepted proportionately, i.e. valid Acceptances per Eligible Seller shall be equal to the additional outstanding Equity Shares validly tendered by a Eligible Seller in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the partially filled category.
- (b) If the Partially filled Category is the General Category, and the second category is the Reserved Category for Small Shareholders, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one Equity Share has been accepted in accordance with clause 19. (VII) (b) shall be reduced by one.
- (c) Adjustment for fraction results in case of proportionate Acceptance, as defined in clause 19. (VIII) (a) and (b) above:
 - i. For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.

- ii. For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

X. For avoidance of doubt, it is clarified that:

- (a) the Equity Shares accepted under the Buyback from each Eligible Seller, in accordance with clauses above, shall not exceed the number of Equity Shares tendered by the respective Eligible Seller;
- (b) the Equity Shares accepted under the Buyback from each Eligible Seller, in accordance with clauses above, shall not exceed the number of Equity Shares held by respective Eligible Seller as on the Record Date; and
- (c) the Equity Shares tendered by any Eligible Seller over and above the number of Equity Shares held by such Eligible Seller as on the Record Date shall not be considered for the purpose of Acceptance in accordance with the clauses above.

XI. Clubbing of Entitlement

In order to ensure that the same shareholders with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number (“PAN”) for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories.

20. PROCEDURE FOR TENDER OFFER AND SETTLEMENT

- I. The Buyback is open to all Eligible Sellers.
- II. The Company proposes to effect the Buyback through a tender offer method, on a proportionate basis. The Letter of Offer and Tender Form, outlining the terms of the Buyback as well as the detailed disclosures as specified in the Buyback Regulations, will be mailed to Eligible Sellers.

- VIII. After accepting the Equity Shares tendered on the basis of Buyback Entitlement, Equity Shares left to be bought as a part of the Buyback, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered, over and above their Buyback Entitlement, by Eligible Sellers in that category, and thereafter, from Eligible Sellers who have tendered over and above their Buyback Entitlement, in other category.

21. NOTE ON TAXATION

A. INDIAN TAXATION.

THE SUMMARY OF THE TAX CONSIDERATIONS IN THIS SECTION ARE BASED ON THE CURRENT PROVISIONS OF THE TAX LAWS OF INDIA AND THE REGULATIONS THEREUNDER, THE JUDICIAL AND THE ADMINISTRATIVE INTERPRETATIONS THEREOF, WHICH ARE SUBJECT TO CHANGE OR MODIFICATION BY SUBSEQUENT LEGISLATIVE, REGULATORY, ADMINISTRATIVE OR JUDICIAL DECISIONS. ANY SUCH CHANGES COULD HAVE DIFFERENT TAX IMPLICATIONS.

IN VIEW OF THE PARTICULARISED NATURE OF TAX CONSEQUENCES, SHAREHOLDERS ARE REQUIRED TO CONSULT THEIR TAX ADVISORS FOR THE APPLICABLE TAX PROVISIONS INCLUDING THE TREATMENT THAT MAY BE GIVEN BY THEIR RESPECTIVE TAX OFFICERS IN THEIR CASE, AND THE APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE.

THE COMPANY DOES NOT ACCEPT ANY RESPONSIBILITY FOR THE ACCURACY OR OTHERWISE OF SUCH ADVICE. THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUY BACK OF LISTED EQUITY SHARES ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

1. GENERAL.

The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 ("the Income Tax Act").

A person who is treated as non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India sourced income or income received by such person in India. In case of shares of a Company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since Wipro Limited is incorporated in India, the shares of Wipro Limited would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Income Tax Act. Further, the non-resident can avail the beneficial provisions of the Double Taxation Avoidance Agreement ('DTAA') between India and the respective jurisdiction of the shareholder subject to

meeting relevant conditions and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.

The Income Tax Act also provides for different tax regimes/ rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary tax implications on buyback of listed equity shares on the stock exchange is set out below. All references to equity shares in this note refer to listed equity shares unless stated otherwise.

2. CLASSIFICATION OF SHAREHOLDERS.

Shareholders can be classified under the following categories:

a) Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
- Others

b) Non Resident Shareholders being:

- Non Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs)
- Others:
 - Company
 - Other than Company

3. CLASSIFICATION OF INCOME.

Shares can be classified under the following two categories:

a) Shares held as investment (Income from transfer taxable under the head “Capital Gains”)

b) Shares held as stock-in-trade (Income from transfer taxable under the head “Profits and Gains from Business or Profession”)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterisation of income arising from sale of shares has been a subject matter of litigation with the tax authorities. There have been various judicial pronouncements on whether gains from transactions in securities should be taxed as “business profits” or as “capital gains”. However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. Recently, the apex body of Income-tax has issued Circular no. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months, if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same shall not be put to dispute by the Tax Officer.

Further, investments by FII in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the Income Tax Act.

3.1 SHARES HELD AS INVESTMENT.

As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares are governed by the provisions of section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per provisions of section 48 of the Income Tax Act. The provisions of buy back tax under section 115QA in Chapter XII-DA of the Income Tax Act do not apply for shares listed on the stock exchange.

3.1.1 Period of holding.

Depending on the period for which the shares are held, the gains would be taxable as 'short term capital gain' or 'long term capital gain':

- In respect of equity shares held for a period less than or equal to 12 months prior to the date of transfer, the same shall be treated as a 'short-term capital asset', and the gains arising therefrom shall be taxable as 'short term capital gains' ("STCG").
- Similarly, where equity shares are held for a period more than 12 months prior to the date of transfer, the same shall be treated as a 'long-term capital asset', and the gains arising therefrom shall be taxable as 'long-term capital gains' ("LTCG").

3.1.2 Buyback of shares through a recognized stock exchange.

Where transaction for transfer of such equity shares (i.e. buyback) is transacted through a recognized stock exchange then the taxability will be as under (for all categories of shareholders):

- LTCG arising from such transaction would be exempt under section 10(38) of the Income Tax Act; and
- STCG arising from such transaction would be subject to tax @ 15% under section 111A of the Income Tax Act.

Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such STCG taxable under section 111A of the Income Tax Act. In addition to the above STCG tax, Surcharge, Education Cess and Secondary and Higher Education Cess are leviable (*Please refer to Note 5 for rate of surcharge and cess*).

Non-resident shareholders can avail beneficial provisions of the applicable double taxation avoidance agreement ('DTAA') entered into by India with relevant country in which the shareholder is resident but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.

As an overall point, since the buyback is undertaken on the stock exchange, such transaction is chargeable to Securities Transaction Tax ("STT"). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian Stock Exchange. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security.

3.1.3 Taxation for American Depositary Shares ("ADS") holders.

The non-resident holders of ADS of the Company may participate in the Buyback by withdrawing his or her ADS from the depository facility, acquiring underlying equity shares upon such withdrawal and then selling those equity shares back to the Company through the stock exchange in India.

There can be no assurance that the equity shares offered by an ADS investor in the Buyback will be accepted. ADS investors are advised to consult their legal advisors for advice prior to participating in the Buyback, including advice related to any related regulatory approvals and tax issues.

The following is a brief summary of capital gains taxation in respect of ADS (as defined in Explanation to Section 115ACA of the Income Tax Act) issued to non-resident holders against the issue of ordinary shares of Wipro

- There are no specific tax provisions on redemption of ADS into equity shares. If ADS is treated as a title receipt to underlying shares, there are good arguments to support that equity shares received by non-resident ADS holders upon redemption of ADS may not be considered as transfer and hence not subject to capital gains tax in India at the point of redemption.
- The period of holding of shares acquired by such non-resident holders on redemption of ADS would be reckoned from the date on which a request for such redemption was made.

- Price of such equity shares held by non-resident holder prevailing on any recognised stock exchange in India on the date on which a request for such redemption was made by the non-resident holder will be considered as cost of acquisition of such equity shares.
- STT will be levied at the time of transfer of equity shares as part of Buyback.
- Long term capital gains on sale of such shares post redemption of ADS will be exempt from tax.
- Short-term capital gains on sale of such shares will be taxed at 15% and further increased by applicable surcharge and cess (*please refer note 5 on rate of surcharge and cess*).
- Non-resident shareholders can avail beneficial provisions of the applicable double taxation avoidance agreement ('DTAA') entered into by India with relevant shareholder country but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.

3.2 SHARES HELD AS STOCK-IN-TRADE.

If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the head "Profits and Gains from Business or Profession. In such a case, the provisions of section 46A of the Income Tax Act will not apply.

3.2.1 Resident Shareholders.

- a) For individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
- b) For persons other than stated in (a) above, profits would be taxable @ 30%.

No benefit of indexation by virtue of period of holding would be available in any case.

3.2.2 Non Resident Shareholders.

- a) Non-resident shareholders can avail beneficial provisions of the applicable double taxation avoidance agreement ('DTAA') entered into by India with relevant shareholder country but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.
- b) Where DTAA provisions are not applicable:
 - For non-resident individuals, HUF, AOP, BOI, profits would be taxable at slab rates
 - For foreign companies, profits would be taxed in India @ 40%
 - For other non-resident shareholders, such as foreign firms, profits would be taxed in India @ 30%.

In addition to the above, Surcharge, Education Cess and Secondary and Higher Education Cess are leviable (*Please refer to Note 5 for rate of surcharge and cess*).

4. TAX DEDUCTION AT SOURCE.

4.1 In case of Resident Shareholders.

In absence of any specific provision under the Income Tax Act, the Company is not required to deduct tax on the consideration payable to resident shareholders pursuant to the said Buyback.

4.2 In case of Non-resident Shareholders.

Since the buy-back is through the stock exchange, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India (either through deduction at source or otherwise) in consultation with their custodians/ authorized dealers/ tax advisors appropriately.

5. RATE OF SURCHARGE AND CESS.

In addition to the basic tax rate, Surcharge, Education Cess and Secondary and Higher Education Cess are leviable as under:

5.1 Surcharge.

- In case of domestic companies: Surcharge @ 12% is leviable where the total income exceeds 10 crores and @ 7% where the total income exceeds 1 crore.
- In case of companies other than domestic companies: Surcharge @ 5% is leviable where the total income exceeds 10 crores and @ 2% where the total income exceeds 1 crore.
- In case of other assessee (i.e. other than companies): Surcharge @ 12% (proposed to be increased to 15% by Finance Bill 2016 applicable from financial year 2016-17) is leviable where the total income exceeds 1 crore.

5.2 Cess.

Education Cess @ 2% and Secondary and Higher Education Cess @ 1% is leviable in all cases

The above note on taxation sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the disposal of equity shares. This note is neither binding on any regulators nor can there be any assurance that they will not take a position contrary to the comments mentioned herein. Hence, you should consult with your own tax advisors for the tax provisions applicable to your particular circumstances.

B. CERTAIN MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES.

1. GENERAL.

The following is a summary of certain material U.S. federal income tax consequences that may be relevant with respect to participation in the buyback of Equity Shares or ADSs to U.S. holders (as defined below) (or the exchange of ADSs for Equity Shares and subsequent participation in the buyback) and is for general information only. For purposes of this discussion, “U.S. holders” are individual citizens or residents of the United States, corporations (or other entities treated as corporations for U.S. federal income tax purposes) created in or under the laws of the United States or any political subdivision thereof or therein, estates, the income of which is subject to U.S. federal income taxation regardless of its source and trusts having a valid election to be treated as U.S. persons in effect under U.S. Treasury Regulations or for which a U.S. court exercises primary supervision and a U.S. person has the authority to control all substantial decisions.

This summary is limited to U.S. holders who hold Equity Shares or ADSs as capital assets. In addition, this summary is limited to U.S. holders who are not residents in India for purposes of the Convention between the Government of the United States of America and the Government of the Republic of India for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income (the “Treaty”). If a partnership holds the Equity Shares or ADSs, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. A partner in a partnership holding Equity Shares or ADSs should consult its own tax advisor.

This summary does not address any tax considerations arising under the laws of any U.S. state or local or non-U.S. jurisdiction, potential application of the Medicare tax on net investment income, or tax considerations under any U.S. non-income tax laws. In addition, this summary does not address tax considerations applicable to holders that may be subject to special tax rules, such as banks, insurance companies, regulated investment companies, real estate investment trusts, financial institutions, dealers in securities or currencies, tax-exempt entities, persons liable for alternative minimum tax, persons that hold Equity Shares or ADSs as a position in a “straddle” or as part of a “hedging” or “conversion” transaction for tax purposes, persons holding ADSs or Equity Shares through partnerships or other pass-through entities, persons that have a “functional currency” other than the U.S. dollar or holders of 10% or more, by voting power or value, of the shares of our company. This summary is based on the tax laws of the United States as in effect on the date of this document and on U.S. Treasury Regulations in effect or, in some cases, proposed, as of the date of this document, as well as judicial and administrative interpretations thereof available on or before such date and is based in part on the assumption that each obligation in the deposit agreement and any related agreement will be performed in accordance with its

terms. All of the foregoing is subject to change, which change could apply retroactively and could affect the tax consequences described below.

EACH PROSPECTIVE INVESTOR SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF PARTICIPATING IN THE BUYBACK.

2. OWNERSHIP OF ADSs.

For U.S. federal income tax purposes, holders of ADSs generally will be treated as the owners or Equity Shares represented by such ADSs. Accordingly, the conversion of ADSs into Equity Shares to participate in the buyback generally will not be subject to U.S. federal income tax.

3. TAX TREATMENT OF BUYBACK.

An exchange of Equity Shares for cash by a U.S. holder pursuant to the buyback will be a taxable transaction for U.S. federal income tax purposes. In such case, depending on the applicable U.S. holder's particular circumstances, such tendering U.S. holder will be treated either as recognizing gain or loss from the disposition of the Equity Shares or as receiving a distribution from the company.

Under Section 302 of the Internal Revenue Code, a tendering U.S. holder will recognize gain or loss on the exchange of Equity Shares for cash if the exchange:

- results in a "substantially disproportionate" redemption with respect to such U.S. holder; or
- is "not essentially equivalent to a dividend" with respect to the U.S. holder.

An exchange of Equity Shares for cash generally will be a substantially disproportionate redemption with respect to a U.S. holder if the percentage of the voting stock owned by such U.S. holder immediately after the exchange is less than 80% of the percentage of the voting stock owned by such U.S. holder immediately before the exchange and after the exchange the U.S. holder owns less than 50% of the total combined voting power of all classes of stock entitled to vote. In applying the Section 302 tests, each U.S. holder must take into account Equity Shares and ADSs that such U.S. holder constructively owns under certain attribution rules, pursuant to which a U.S. holder will be treated as owning any Equity Shares and ADSs owned by certain family members (which family attribution, in certain circumstances, may be waived) and related entities, and Equity Shares and ADSs that the U.S. holder has the right to acquire by exercise of an option. Each U.S. holder is expected to consult with its own tax advisor with respect to the application of such attribution rules given such U.S. holder's particular circumstances.

If an exchange of Equity Shares for cash fails to satisfy the "substantially disproportionate" test, the U.S. holder may nonetheless satisfy the "not essentially equivalent to a dividend" test. An exchange of Equity Shares for cash will satisfy the "not essentially equivalent to a dividend" test if it results in a "meaningful reduction" of the U.S. holder's equity interest in the company given such U.S. holder's particular facts and circumstances. The Internal Revenue Service (the "IRS") has indicated in published rulings that a relatively minor reduction of the proportionate equity interest of a U.S. holder whose relative equity interest is minimal and who does not exercise any control over or participate in the management of corporate affairs should be treated as "not essentially equivalent to a dividend." Each U.S. holder should consult its tax advisors regarding the application of the rules of Section 302 in its particular circumstances. Because the Section 302 tests are applied on a stockholder by stockholder basis, the buyback may be a sale or exchange for certain U.S. holders and a distribution for others.

3.1 Sale or Exchange.

Subject to the "passive foreign investment company" ("PFIC") rules described below, if a U.S. holder is treated as recognizing gain or loss for U.S. federal income tax purposes from the disposition of Equity Shares for cash, such gain or loss will be equal to the difference between the U.S. dollar value of the amount realized and the

U.S. holder's tax basis, determined in U.S. dollars, in the Equity Shares. Gain or loss recognized will be long-term capital gain or loss with respect to Equity Shares held for more than 12 months at the time of the sale or other disposition and any gain recognized generally will be income from sources within the United States for foreign tax credit limitation purposes. Long-term capital gains of non-corporate US holders are generally taxed at preferential rates. Capital gains realized by a U.S. holder upon sale of Equity Shares may be subject to tax in India, including withholding tax. See "Tax Considerations – Indian Taxation." Due to limitations on foreign tax credits, however, a U.S. holder may not be able to utilize any such taxes as a credit against the U.S. holder's federal income tax liability. U.S. holders should consult their own tax advisors regarding the tax treatment to them if the buyback is treated as a sale or exchange.

3.2 Distribution.

If a U.S. holder is not treated under the Section 302 tests as recognizing gain or loss on an exchange of Equity Shares for cash, such U.S. holder will be treated as having received a distribution from our company. The gross amount of the distribution will generally be treated as dividend income to the extent made from the current or accumulated earnings and profits (as determined under U.S. federal income tax principles) of our company. Such dividends will not be eligible for the dividends received deduction generally allowed to corporate U.S. holders. To the extent, if any, that the amount of the buyback exceeds our company's current and accumulated earnings and profits as determined under U.S. federal income tax principles, such excess will be treated first as a tax-free return of the U.S. holder's tax basis in the Equity Shares and thereafter as capital gain.

Subject to certain conditions and limitations, including the PFIC rules described below, dividends paid to non-corporate U.S. holders, including individuals, may be eligible for a reduced rate of taxation if we are deemed to be a "qualified foreign corporation" for U.S. federal income tax purposes. A qualified foreign corporation includes a foreign corporation if (1) its shares are readily tradable on an established securities market in the United States, or (2) it is eligible for the benefits under a comprehensive income tax treaty with the United States, including the Treaty. Based on existing guidance, it is not clear whether a dividend on an Equity Share will be treated as a qualified dividend, because the Equity Shares are not themselves listed on a U.S. exchange. In addition, a corporation is not a qualified foreign corporation if it is a PFIC in the current taxable year or the prior taxable year (as discussed below). We may be eligible for benefits under the Treaty.

We do not intend to calculate our earnings and profits according to U.S. tax accounting principles. Accordingly, notwithstanding the discussion in the preceding paragraphs, if the buyback is treated as a distribution on our Equity Shares, such distribution will generally be taxed to you as dividend distributions for U.S. tax purposes.

EACH U.S. HOLDER SHOULD CONSULT ITS OWN TAX ADVISOR REGARDING THE TREATMENT OF DIVIDENDS AND SUCH HOLDER'S ELIGIBILITY FOR REDUCED RATE OF TAXATION UNDER THE LAW IN EFFECT FOR THE YEAR OF THE DIVIDEND AND WHETHER ANY FOREIGN TAX CREDITS ARE AVAILABLE TO IT IN RESPECT OF INDIAN WITHHOLDING TAX, IF ANY.

4. PASSIVE FOREIGN INVESTMENT COMPANY.

A non-U.S. corporation will be classified as a PFIC for U.S. Federal income tax purposes if either:

- 75% or more of its gross income for the taxable year is passive income; or
- on average for the taxable year by value, if 50% or more of its assets produce or are held for the production of passive income.

We do not believe that we satisfy either of the tests for PFIC status for the fiscal year ended March 31, 2016, and we do not expect to satisfy either of the tests for the fiscal year ending March 31, 2017. However, because this determination is made on an annual basis and depends on a variety of factors (including our market capitalization), no assurance can be given that we were not considered a PFIC for the fiscal year ended March 31, 2016, or that we will not be considered a PFIC for the current fiscal year and/or future fiscal years. If we were to be a PFIC for any taxable year, U.S. holders would be required to pay an interest charge together with tax calculated at an ordinary income rates on "excess distributions," as the term is defined in relevant provisions

of U.S. tax laws, and on any gain on a sale or other disposition of Equity Shares, unless a U.S. holder makes a “QEF election” or a “mark-to-market” election, as described below. In addition, individual US holders will not be eligible for the reduced rates of dividend taxation described above if we are a PFIC for the fiscal year of the dividend payment or the preceding fiscal year.

If we are a PFIC in any year, so long as the Equity Shares or ADSs are and remain “marketable,” a U.S. holder may be able to avoid the excess distribution rules described above by having made a timely so-called “mark-to-market” election with respect to such U.S. holder’s Equity Shares or ADSs. The Equity Shares or ADSs will be “marketable” as long as they remain regularly traded on a national securities exchange, such as The New York Stock Exchange, or a foreign securities exchange that is regulated or supervised by a governmental authority of the country in which the market is located. A mark-to-market election will be effective for the taxable year for which the election is made and for all subsequent taxable years, unless the Equity Shares or ADSs are no longer regularly traded on a qualified exchange or the IRS consents to the revocation of the election. However, because a mark-to-market election cannot be made for any lower-tier PFICs that we may own, a U.S. holder may continue to be subject to the PFIC rules with respect to any indirect interest in any investments held by us that are treated as an equity interest in a PFIC for U.S. federal income tax purposes, including our subsidiaries. U.S. holders should consult their own tax advisors with respect to making a mark-to-market election and the tax consequences of the buyback if such an election is in effect.

In addition, if we are a PFIC in any year, a U.S. holder might be able to avoid the excess distribution rules described above by making a timely so-called “qualified electing fund,” or QEF, election to be taxed currently on your pro rata portion of our income and gain. However, we have not provided and do not plan to provide information necessary for the QEF election, so such election would not have been available to U.S. holders.

In addition, certain information reporting obligations on IRS Form 8621 may apply to U.S. holders if we are determined to be a PFIC, including in the year of a sale or disposition.

5. BACKUP WITHHOLDING TAX AND INFORMATION REPORTING.

Any dividends paid, or proceeds on a sale of, Equity Shares to or by a U.S. holder may be subject to U.S. information reporting, and backup withholding, currently at a rate of 28%, may apply unless the holder is an exempt recipient or provides a U.S. taxpayer identification number, certifies that such holder is not subject to backup withholding and otherwise complies with any applicable backup withholding requirements. Any amount withheld under the backup withholding rules will be allowed as a refund or credit against the holder’s U.S. federal income tax, provided that the required information is furnished to the Internal Revenue Service.

The above summary is not intended to be a complete analysis of all tax consequences relating to participation in the buyback. You should consult with your own tax advisors regarding the application of the U.S. federal income tax laws to your particular circumstances, as well as any additional tax consequences resulting from holding participation in the buyback, including the applicability and effect of the tax laws of any state, local or non-U.S. jurisdiction and any estate, gift and inheritance laws.
