

A woman with long brown hair and glasses, wearing a white blazer, is sitting at a desk in a bright office. She is smiling and looking at a tablet device. On the desk, there is a large computer monitor, a desk lamp, a coffee cup, and some papers. A large pink circle is overlaid on the left side of the image, containing the text "Wipro EOT's remote suite - Smart Remote Assessment".

Wipro EOT's remote suite - Smart Remote Assessment

Remote and collaborative working has become the need of the hour for companies, mandating process assessment to be done in a secure and location agnostic manner.

Scalable, remote ready and agile engagement models

Identify process bottlenecks, compliance controls and opportunities beyond traditional RPA

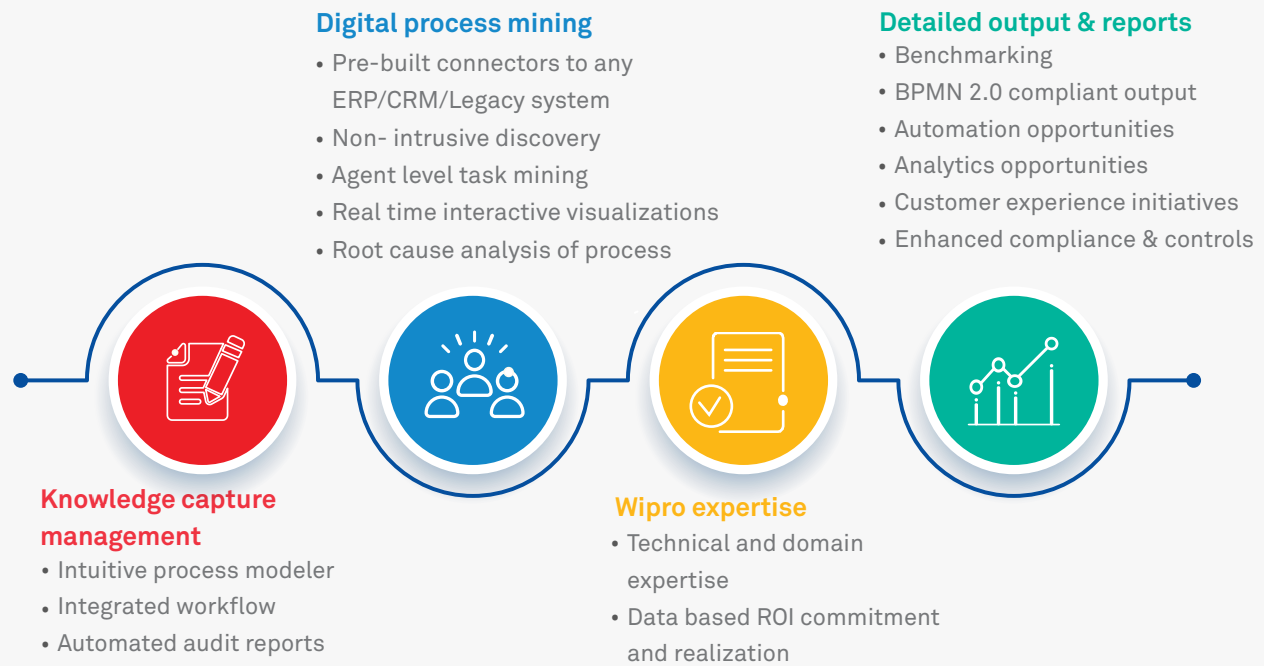

Recommend hyper automation (RPA + Cognitive + Analytics) potential and automation savings roadmap

A large, light purple circle is positioned on the left side of the page, partially overlapping the text area.

Automated process discovery, knowledge capture and next-gen transformation recommendations.

Smart remote assesment features

Smart remote assesment benefits

Location agnostic and virtual co-working

Leverage Wipro's best practices and process libraries

Faster time to value realization
